

Pennard Kitchen Menu

2025

PENNARD HOUSE

Somerset

At the Pennard Kitchen we believe the quality of the food is one of the most important aspects of any event. Our bespoke menus have been created by our expert chefs to include the freshest local and seasonal ingredients to create delicious and imaginative food.

All our ingredients are sourced locally from Somerset suppliers where possible – dairy products are collected from surrounding farms, all meat is from local Farmers and other ingredients are sourced as near to home as possible.

Please choose one option for each course as well as a vegetarian option. We will adapt these dishes to suit both Vegan guests and any other Diets that may be required. If you wish to combine dishes to make your perfect menu, then please let us know.

Menu Costs for 2025 Weddings

Costs based on a minimum of 60 guests and start from:

Four Canapés and Three Course Menu – £83

These costs include all staff costs to serve your food and serving of canapés and drinks at your reception, and is inclusive of table linen, glassware, cutlery and crockery. All prices are inclusive of VAT. We will review the pricing and choices of our menus each year due to availability and any increases in cost.

Special Dietary Requirements

Dishes can be adapted where possible to meet any special dietary requirements. All of our vegetarian dishes can be amended to cater for vegans. Whilst some of our dishes are already gluten or lactose free, we can also create bespoke dishes to cater for these or any other special dietary requirements.

Allergens

If you require any information regarding the presence of any allergens in our dishes, the full recipe specification is available upon request.
