### Alcohol

To make your planning easier, we can provide a selection of sparkling wines, champagne and red or white wines for you to choose from, on a sale or return basis. That way you only pay for what you drink. Prices start from £29 (2026) and £30 (2027) per head for drinks during your reception, wedding breakfast and toast.

You can also bring your own alcohol for the reception and the wedding breakfast. If so, we do not charge a 'corkage' fee per bottle, although please note we do need to charge a small drink handling fee of £550 inc Vat. This is to cover the cost of storage, cooling, handling and disposal of your bottles.

After the meal, we operate a paid bar service with drinks provided by Pennard House. At this point any drinks supplied by yourselves are put aside.

### The Full Weekender...

Some people like to continue enjoying the party even after the big day. Feel free to invite your guests back to continue the celebrations, with an opportunity to swim in the freshwater pool on the day after your wedding. 'The Next Day' is charged £1,250 for Sunday (subject to availability), offering exclusive use of our beautiful grounds until 3pm giving you the opportunity to relax and spend some further quality time with your loved ones! Pennard Kitchen to provide catering, starting from £24 per person.
